

Ameron™

Centrecon M-Series Square Poles

Available in base plate and embedded styles.

Our versatile M-Series poles provide the strength needed for street lighting, parking lots, area security lighting and similar applications. Mounting options include post top, mast arm or side mounted.

Features and Benefits

- Prestressed steel and highest quality concrete are centrifugally cast for ultimate strength and long-term durability
- Natural stone and terrazzo aggregates maintain a like new appearance with virtually no maintenance
- Conforms to applicable sections of ACI, AASHTO, ASTM and PCI standards
- Exclusive 10-year warranty

Colors and Finishes

A wide range of standard, pre-formulated and custom colors are available. The concrete shafts are lightly blasted to expose the texture and beauty of the natural stone. See separate Aggregates and Finishes sheet for details. We offer Amershield™, a premium graffiti-resistant coating, as well as other durable sealers and protectants that further enhance colors, protect the concrete surface and aid in the removal of graffiti.

Durability with a classic touch.
