

Ameron™

Victorian III Pole

Available in base plate and embedded styles.

Eight crisp, sharp flowing lines, a flared base and the tapered shaft are reminiscent of the gas lamp era. Victorian III works well with traditional and contemporary architectural designs.

Our Victorian Series lighting poles combine the charm of yesterday with the technology of today. Available in a variety of configurations, colors and finishes, the Victorian series provides architects and designers with many creative options.

Features and Benefits

- Prestressed steel and highest quality concrete are centrifugally cast for ultimate strength and long-term durability
- Natural stone and terrazzo aggregates maintain a like new appearance with virtually no maintenance
- Conforms to applicable sections of ACI, AASHTO, ASTM and PCI standards
- Exclusive 10-year warranty

Colors and Finishes

A wide range of standard, pre-formulated and custom colors are available. The concrete shafts are lightly blasted to expose the texture and beauty of the natural stone. See separate Aggregates and Finishes sheet for details. We offer Amershield™, a premium graffiti-resistant coating, as well as other durable sealers and protectants that further enhance colors, protect the concrete surface and aid in the removal of graffiti.

Durability with a classic touch.
